

DonNTU Welcomes VII International Scientific and Practical Conference “Sustainable Development Strategy in Economic Systems Anti-Crisis Administration”

DonNTU’s Engineering and Economic Faculty hosted the VII International Scientific and Practical Conference “Sustainable Development Strategy in Economic Systems Anti-crisis Administration” on April 8th.

It covered a wide circle of problems related to development and implementation of economic systems sustainable development under a crisis. Representatives of science, power and business from seven countries had submitted more that 100 papers.

DonNTU’s Rector Prof. A. Anoprienko, the DPR People’s Council deputies, professors from the RF Universities (Dagestan Federal Research Centre, the Financial University under the Government of Russia, Sevastopol State University) and those of the DPR made their presentations at the conference.

The event specified the work to ensure sustainable functioning of the DPR’s branches and companies in the anti-crisis control system, the role of public authorities in finding the ways to solve economic strategic control and integration cooperation in academic and scientific and practical activities.

DonNTU’s Library staff organized an exhibition on the subject-matter of the conference.

DonNTU Hosts Students, Postgraduates and Young Mining Researchers’ II International Forum “Mining Issues”

The Institute of Mining and Geology of DonNTU hosted Students, Postgraduates and Young Mining Researchers’ II International Forum “Mining Issues” on April 9th. Universities from the RF (Kuznetsk State Technical University named after T. Gorbachev , St. Petersburg Mining University, Tula State University, Donskoi State Technical University) the LPR (Donbass State Technical Institute), the DPR and other core organizations took part in the event.

It was aimed at making students, postgraduates and young researchers more active in solving topical tasks of the mining industry.

There were more than 46 presentations at the conference.

The Scientific and Technical Library organized a book exhibition to mark the conference.

DonNTU Hosts VII International Scientific and Practical Conference “Modern State and Municipal Administration: Problems, Technologies and Prospects”

DonNTU hosted the VII International Scientific and Practical Conference “Modern State and Municipal Control: Problems, Technologies and Prospects” on April 21st. It was timed to the University’s centenary, the 90th anniversary of the Department of Economic Theory and Administration and the 25th anniversary of the State Administration Magistracy.

It was aimed at exchanging experience in state and municipal administration, discussing problems, principles and trends of development technologies in state administration and publishing of the results of scientific and practical achievements.

The participants from the RF sent their video greetings to DonNTU on the occasion of the upcoming jubilee in which they wished the conference fruitful work and results.

There were more than 140 presentations made by the participants from Irkutsk, Krasnoyarsk, Minsk, Pavlodar, Samara, Saratov, Simferopol, Taganrog, Tashkent, Orel, Fergana and Cheboksary the conference.

Its proceedings will be sent to all participants.

Meeting with DonNTU’s Graduates- Members of the Volunteer Corps

DonNTU hosted the meeting with the veterans of the volunteer corps – the former soldiers of the Battalion “Vostok” among whom there were 3 graduates of DonNTU: Mr. O. Sotnikov (Som), Mr. Y. Kolomyitsev (Syoma), Mr. A. Revenko (Reva). These people defended a strategic

spot of the region, the height Saur-Mogila on July 28-30th 2014, which were the hardest and the most intense days.

It was aimed at showing the role of the volunteer corps in defense of the Donbass Region from Ukrainian nationalistic units.

DonNTU's Rector Prof. Anoprienko emphasized the fact that our graduates-members of the volunteer corps had opened a new page in DonNTU's chronicle. The veterans spoke on our Motherland and its fates, their hopes for the young generation to share their ideals and defend the country. The "Vostok Brigade" ex-commander Mr. A Khodakovski, who also had studied at DPI for some time, spoke on patriotism, battles and soldiers who died in them.

The guest from St. Petersburg Mr. I. Kimakovski, a former volunteer corps' member who had been for four and a half years in Ukrainian captivity, and the current journalist of the Agency "Novosti" greeted the participants. The author of the book "The Battalion Vostok" L. Borbachova addressed the audience.

The sincere documentary "Donbass. Saur- Mogila. The Unfinished Battle" made by Gosfilmofond, the RF, in 2016 was demonstrated at the meeting.

The concert of the musician, poet and singer Oleg Veter, who had been the Battalion "Vostok" reconnaissance party's chief, wrapped up the meeting. He sang his songs such as "Saur-Mogila", "The private man, hard worker, soldier", "I believe" and others.

DonNTU's Vice-Rector in Research is an Expert of the XIX All-Russian Conference-Contest "Topical Issues of Mineral Wealth Usage"

Prof. S. Borshchevski, the Vice-Rector in Research, is an expert of the XIX All-Russian Conference-Contest for students and postgraduates "Topical Issues of Mineral Wealth Usage" which started on April 14th. The event was organized in a mixed format- online through the Zoom platform and offline at St. Petersburg Mining University.

Prof. Borshchevski evaluated the presentations of the participants in the conference breakup group #7 "Geomechanics and Mine Survey in Mining and Underground Construction". Almetiev State Oil Institute, Bashkiria State University, Moscow State University named after M. Lomonosov, the National Research Technological University MISiS, and Norilsk State Industrial University are traditional participants of such conferences.

The conference had been recognized by core companies which make research in mineral wealth usage. Because of its topical subject-matter and a high level of

presentations it is considered a reputable platform in demand for the presentations on development of mineral-and-raw and fuel-and-energy complexes of the RF. Prof. Borshchevski's participation at the event of such a level proves the qualification and expertise of DonNTU's scientists.

DonNTU's Representatives Take Part at the Round Table Meeting at the Institute of Economic Research

The Institute of Economic Research organized a round table meeting "Investment and Innovative Development under the Economic Digitization: Strategies, Factors and Mechanisms" on April 14th. DPR's government members and its universities' staff participated in the event.

Researchers and experts of the Institute of Economics of Ural Branch of the Russian Academy of Sciences (Yekaterinburg), academics of the High School of Administration and Entrepreneurship of Donskoi State Technical University (Rostov-on-Don) took part in the meeting online.

DonNTU's researchers made some presentations such as "Global Scientific and Technological Trends and Demand in "New Administration" (Dr. Shabalina), "Technological Platform Being a Tool to Develop the Innovation Activity in the DPR" (Dr. Shavkun), "Factors that Influence the State Innovative Activity under Digitization" (Assistant Lecturer Shcherbina).

The participants discussed possible ways to solve the problems of digital economics elements adaptation to stimulate DPR's economic growth, efficient state structure, economics sustainable development with taking into account ecological, social and legal factors. They also emphasized the importance of the Republican economics digitization which is the priority vector of the strategic development. They highlighted the most efficient sectors of service and high technology industrial branches where the digital technologies could be successfully introduced under the current realities of DPR's economics functioning.

The resolution based on the meeting results was developed according to which digital transformation changes will play a special role in economics and the society.

DonNTU's Academics Take Part in Scientific Conference of Partner University

Academics of the Engineering and Economics Faculty Dr. Kondaurova and Dr. Leonova took part in the XXII National Conference (with International Participation)

“The Russian Society and Education Modernization: New Economic Guidelines, Administration Strategies, Law Enforcement and Personnel Training” on April 17th. The conference was held at Taganrog Institute of Administration and Economics in the

frameworks of the international cooperation.

DonNTU’s academics were handed in thank-you notes.

DonNTU Wraps up II International Scientific and Practical Conference “Economics, Science and Innovations”

DonNTU wrapped up the events related to the II International Scientific and Practical Conference “Economics, Science and Innovations” on April 19th which were timed to the oldest Donetsk university’s centenary.

The organizers and participants of the online conference were Donetsk Small Academy of Science, the Financial University under the Government of the Russian Federation (Moscow), Belgorod State Agrarian University, Zhetysusk University named after Zhansugurov (Taldycorgan), the Institute of Administrative Bodies of the Academy of Management under the President of Belarus (Minsk), Vitebsk State University named after Masherov, Gomel State Technical University named after Sukhoi and four universities from the DPR and the LPR.

More than 280 papers were included into the conference proceedings. International participation made up 68%. The proceedings and registered certificates were sent to the participants.

DonNTU is Suitably Represented at Eurasian Olympiad

Orenburg State University has published the result of the qualifying round of the Eurasian Olympiad on statistics theory. 42 teams (84 participants) took part in it including 32 university teams and 10 teams representing secondary professional education. 8 teams of Master’s students from Orenburg,

Novosibirsk, Saratov, Yoshkar Ola and Donetsk competed at the event. Our students T. Yershova and O. Oleksyuck ranked second. They shared the success with Master’s

students from Saratov State University named after N. Chernyshevski. The final round is going to take place on May 24-27th.

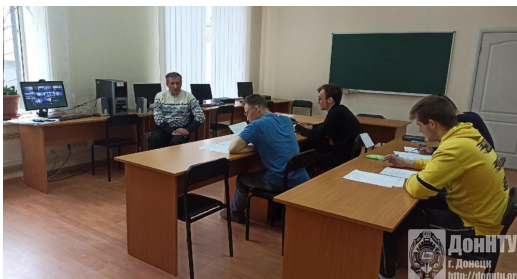

DonNTU Holds XV International Scientific Conference of Students and Postgraduates “The Environment Protection and Rational Usage of Natural Resources”

DonNTU and DonNU hosted the XV International Conference of Students and Postgraduates “The Environment Protection and Rational Usage of Natural Resources” on April 13-15th. It was timed to DonNTU’s centenary and the 95th anniversary of the national park “Khomutovskaya Steppe”. It was organized under the support of the State Committee in Ecological Policy and Natural Resources under the head of the DPR.

Professors from DonNTU greeted the participants. There also was a video greeting from South Research Centre of the Russian Academy of Science where DonNTU was congratulated with its upcoming centenary and got wished of success and victories.

DonNTU’s Students Take Part in the International Online Olympiad

Ivanov State Energy University hosted the international students’ Olympiad in theoretical and general electrical engineering “Electrical Engineering 2021” on April 20th. It was aimed at improving students’ training in the field and developing students’ interest in the profession, and forming energy companies’ personnel potential. 14 universities from Russia, Belarus and Mongolia took part in the event.

Our students traditionally take part in the Olympiads as this one. The staff of the Information Computer Technologies Centre of DonNTU organized holding of the Olympiad online. The Internet connection on the Zoom platform was good due to the effort they had put and their professionalism and well-coordinated work.

Defense of the Works Submitted to the International Contest of History Young Researchers at RI of DonNTU

Road Institute of DonNTU held defense of the works submitted to the International Contest of History Young Researchers on April 15-16th. The participants were schoolchildren, and college and university students. The works were about WW II and the Great Patriotic War.

The jury was imposing: heads of different Donbass youth organizations, chairpersons of the Veteran Council of Gorlovka, history teachers from Gorlovka colleges and DonNTU. The participants were also given a chance to know more about the RI and its students' life by watching videos.

All participants got certificates and keepsakes, and the jury and supervisors were thanked officially.

Newsletter is prepared by the International Office of DonNTU.
