

## DonNTU Passes Accreditation for Educational Activities in the Russian Federation

The Rosobrnadzor – the federal service for the supervision of education and science – issued an order № 97 of 05.02.2021. According to it Donetsk National Technical University has passed state accreditation for educational activities which will be valid during 6 years.

The following 25 educational programs got accredited:

- 21.05.02 Applied geology;
- 21.05.03 Geological exploration technology;
- 21.05.04 Mining;
- 21.05.06 Oil and gas technology;
- 15.04.02 Technological machines and facilities;
- 15.04.04 Technological process and production automation;
- 15.04.05 Design and technological support of machine-building industries;
- 15.04.06 Mechatronics and robotics;
- 22.04.01 Material science and technology;
- 22.04.02 Metallurgy.

DonNTU's Rector Prof. A. Anoprienko and the Director of Donetsk Transport and Economic College Mr. Y. Demura got the conclusion of the Rosobrnadzor on passing the first stage of the state accreditation. It was handed in at the Ministry of Education and Science of the DPR.

The Minister of Education and Science of the DPR Mr. M. Kushakov greeted the institutions on being accredited in the Russian Federation. He also emphasized the significance of the event for the Republic's education integration into the Russian educational and scientific space.

Prof. Anoprienko stated that the result is achievement of all DonNTU's staff which trains professionals for mining, metallurgy, manufacturing industry on which economic and industrial potential of the Donbass region has always been based.

Mr. Kushakov wished the oldest technical university of the DPR to get accredited on all its majors.

He also mentioned the support of the Head of the DPR Mr. D. Pushilin and the Republican government headed by Mr. A. Ananchenko and Mr. V. Antonov given to universities at all stages of the integration.

## **DonNTU's Academics Attend Upgrading Courses at Russian Economic University Named after G. Plekhanov**

DonNTU's academics have attended upgrading courses on the supplementary professional scheme "The State and Municipal Management System" at one of the top universities of Russia- Russian Economic University named after G. Plekhanov (Moscow).

These were on-line classes where advanced information technologies were used. The academics passed the final exam and got certificates.

## **DonNTU Participates in XXVII International Scientific and Practical Conference for Students and Postgraduates "Radio Electronics, Electrical Engineering and Power"**

The National Research University "Moscow Energy Institute" has hosted the XXVII International Scientific and Practical Conference for Students and Postgraduates "Radio Electronics, Electrical Engineering and Power". The Ministry of University Education and Science of the Russian Federation, different academies and funds of the country, the Russian and Kyrgyz Consortium of Technical Universities and DonNTU were its organizers.

The event was aimed at developing students', postgraduates' and young researchers' creativity, attracting them to solving modern science topical tasks, preserving and developing the single scientific and educational space, networking among future colleagues.

The conference task was to get the participants acquainted with modern issues of radio electronics, electrical engineering and power. Key researchers told them about advanced trends of scientific and technical progress.

DonNTU's and LSTU's (Lugansk) representatives participated in the event online. They worked in the breakup group "Special for Eastern Europe Electric Power Industry Issues".

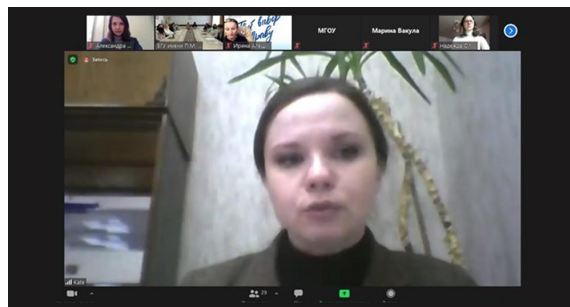

The participants emphasized rather a high level of research carried out at DonNTU despite the difficult situation.

DonNTU's Rector Prof. A. Anoprienko greeted the participants at the plenary meeting and highlighted good practice of scientific and technical collaboration among the universities.

The conference proceedings have been published.

### **DonNTU's Academic Participates in the International Conference “Topical Issues of Natural Resources and Environmental Laws”**

The People's Friendship University of Russia and Vitebsk State University named after P. Masherov with the support of the Russian Centre hosted the International Conference “Topical Issues of Natural Resources and Environmental Laws” on March 25<sup>th</sup>. Dr. A. Berestovaya took online part in it. She made her presentation “Greening of the Social and Economic System Being the Basis of Economics Sustainable Development”.

The event was aimed at attracting young researchers to solve topical issues in development of natural resources and environmental legislation of the RF.

Representatives of universities of Russia, Belarus, China, and the DPR took part in the conference.

### **DonNTU's Representatives are Awarded with Insignias**

The Chairperson of Rostov Regional Branch of the Union of Mine Surveyors of Russia Mr. A. Ryzhenko awarded the commemorative insignia “300<sup>th</sup> Anniversary of Berg-Privilege” to the First Vice-Rector of DonNTU Prof. A. Karakozov on February 15<sup>th</sup>. The medals “300<sup>th</sup> Anniversary of Rostechnadzor” were awarded to Prof. S. Borshchevski, and Dr. I. Filatova for their contribution into mining engineers training at DonNTU.

### **Road Transport Institute's (DonNTU) Academics Get Advanced Training Certificates in the RF**

There was a meeting at the Road Transport Institute (DonNTU) on March 29<sup>th</sup>. The certificates on advanced training in Russia were handed to its academics there. They were trained on the programs of “Development of Design and Maintenance of Vehicles, Theoretical Studies and Research” (Donskoi State Technical University, Azov), “Intellectual Transport

Systems” (Donskoi State Technical University, Azov), “Economic, Mathematical and Applied Aspects of Information Technologies, Methods of their Assessment, Reliability, Transformation, Analysis of their Operation in Transport” (Donskoi State Technical University, Azov),” Economical Production Tools” (Maikop State Technological University”).

The Institute’s administration thanked all the academics who improve their skills and qualifications.

### **DonNTU’s Students are Winners and Medallists of the Republican and Russian Olympiads and Conferences**

The DPR and the RF hosted a number of scientific events in late February. DonNTU’s student took part in them.

DonUET organized a Republican contest in economics. Five educational institutions submitted 45 presentations. The Master’s student N. Gurkina ranked first and the undergraduate student Y. Khobta ranked second.

Belgorod State Technical University named after V. Gorin hosted the scientific conference “Innovation Solution in the Agrarian-Industrial Complex”. The undergraduate students D. Dobrenko and G. Pronin ranked second and Master’s student N. Shlyakhova and the undergraduate student V. Chopenko ranked third.

### **DonNTU’s Student is Winner of Open Championship of Yaroslavskaia Oblast in Weightlifting**

The town of Tutayev (Yaroslavskaia Oblast, the RF) hosted the Open Championship in Weightlifting among juniors (15-20 years old). More than 100 sportsmen from Yaroslavl, Rybinsk, Tutayev, Uglich, Danilov, Cherepovets and the DPR took part in it. Our Republic was represented by 12 sportsmen from Donetsk, Zugres and Ilovaisk. DonNTU’s student D. Belousov ranked first in the weight class up to 80 kg (237 kg (105X132))

Newsletter is prepared by the International Office of DonNTU.
